

"CHEESE CAMPAIGN" IS LATEST WAR MEASURE

Cottage Cheese May Come Into
Its Own Again—Thrift Cook-
ery Demonstration.

The cottage cheese campaign, under the direction of T. C. Haddon, director of the University of Tennessee, and Miss Maude Guthrie, city home demonstrator, opened today. A large number of local women are co-operating in this work. Demonstrations will be given the remainder of the week at the various grocery stores. Those in charge are anxious for all women of the city to attend these demonstrations and see the many tempting ways in which cottage cheese may be used.

Cottage cheese may form an important part of the daily diet. It may be used alone or in combination as a meat-like dish, salad or dessert. Cottage cheese especially lends itself to salads.

The following ladies will serve sandwiches and cheese at Drake's grocery: Mrs. D. A. Scoville (chairman), Mrs. Y. E. Warren (Mrs. J. E. Estes); Hartline grocery, Mrs. T. C. Betterson (chairman), Mrs. E. R. Betterson, Mrs. Earl Cook, Mrs. H. G. Bernard; Marquette, Mrs. J. B. Wasserman (chairman), Mrs. F. C. Fitzgerald, Miss L. Goldstone; Dewees' grocery, Mrs. George H. Stillman (chairman), Mrs. C. Baker, Dr. Nichols; Smith's grocery, Mrs. M. R. Brist (chairman), Mrs. M. T. DeLong, Mrs. Charles Hicks, Mrs. M. Davis; Hodge grocery, Mrs. J. R. Lusk (chairman), Mrs. George Killian, Mrs. Walter Anderson, Mrs. J. T. Gladish, Mrs. J. T. Blanton, Mrs. R. M. Ivins and Mrs. I. Mitchell.

According to Specialist Haddon, the following new recipes will make cottage cheese appeal to your appetite:

Cottage cheese combination salad is made of 1 cup of chopped cabbage, 1-2 cup of chopped celery, 1 cup of chopped apples. Add the cottage cheese salad dressing, made by mixing cottage cheese and salad dressing to suit. Serve on lettuce leaf.

Cottage cheese and potato croquettes made of cheese, mashed potatoes, bread crumbs, eggs, green peppers, parsley and seasonings is especially good.

Cottage cheese and nut roast is made of bread crumbs, cheese, nuts, onion, butter, lemon and seasoning. Mix ingredients and bake in buttered pans until brown.

Any one wishing the exact amount of ingredients used in making these dishes should call Miss Guthrie at Main 326.

MEN WILL BE DRAFTED FOR RED CROSS DRIVE

Officials Meet at Luncheon and
Discuss Plans for Coming
Campaign.

Hamilton county's quota for the big Red Cross drive, announced for May 20-27, has been fixed at \$125,000. This is intended to include the funds for both the local and national work.

Red Cross officials got together at a luncheon at the Hotel Patten Tuesday to discuss preliminary plans for the Chattanooga campaign. The body was composed of Dr. T. McCallie, chairman of the Chattanooga chapter; S. W. Magill, of Nashville; C. R. Ensey, of the southern division headquarters; Atlanta; T. C. Thompson, Dr. Loring Clark, R. F. Hudson, Morrow Chamberlain and T. C. Betterson.

As no director or chairman has been appointed for the local campaign, nothing was perfected for publication. The appointment of a director is necessary because of the fact that J. T. Lupton, who directed the previous Red Cross drive, will be unable to serve in that capacity for this one.

It was announced that C. R. Ensey, of the southern division headquarters, will open an office in Chattanooga for the purpose of organizing the seventeen counties included in the Chattanooga district. Through his office local men will be drafted for the greater part of the work of the coming war fund drive.

Best Remedy for Whooping Cough.
"Last winter when my little boy had the whooping cough I gave him Chamberlain's Cough Remedy," writes Mrs. J. B. Roberts, East St. Louis, Ill. "It kept his cough loose and relieved him of those dreadful coughing spells. It is the only cough medicine I keep in the house because I have the most confidence in it." This remedy is also good for colds and croup.

Chattanooga Zone Triumphant Marches to Victory in Vigorous Liberty Bond Sale

Showing So Remarkable That
Zone Is Expected to Lead
Federal Reserve District.

CHATTANOOGA HOPES TO LEAD ENTIRE SOUTH

"C. C. Nottingham, Chairman, Chattanooga, Tenn. 'Congratulations on your splendid showing. You have not only led the zone, but you are leading the whole federal district. Personal thanks to you and your staunch organization.'"

The zone committee of the third liberty loan has just concluded a most remarkable campaign. They not only went over the top, but went over with a full 50 per cent. more to spare. For every dollar they were asked to raise they gathered up \$1.50. The same ratio carried out throughout the county would bring the national loan up from the \$2,000,000,000 minimum to a fine \$4,500,000,000.

Some figures on the campaign are very outstanding and pronounced. The whole zone, with a quota of \$4,536,700, subscribed \$6,330,400, which was a surplus of \$1,793,700. This, in round figures, is a surplus of close to \$2,000,000 on a \$4,500,000 basis—a splendid showing.

Hamilton county, exclusive of Chattanooga, made a wonderful showing, producing five times its quota. The quota was \$35,750, and it produced \$182,500. It produced also more than \$50,000 in excess of the last campaign.

The counties outside of Hamilton went more than 50 per cent. over their quota, producing \$2,430,400, against a quota of \$1,555,450, which is an excess of \$874,950.

Every county went over its quota. And every one, except Rhea and Roane, went over their old quota, which was 25 per cent. higher, and Rhea and Roane have pledged themselves to go over this last figure this week.

One of the outstanding features of the campaign is the marvelous increase of some counties in this campaign as compared to the second bond campaign. For instance, Van Buren, second campaign, \$800; third campaign, \$9,700; Scott, first, \$2,000; second, \$12,600; Coffee, first, \$20,000; second, \$35,000; Cumberland, first, \$35,000; second, \$107,000; Franklin, \$4,000 to \$22,900; Grundy, \$52,000 to \$105,000; Meigs, \$23,000 to \$142,100; Polk, \$1,600 to \$38,800.

The whole zone subscribed \$1,259,650 more to the third liberty loan than to the second, \$1,219,650 of this excess coming from the zone outside of Hamilton county.

The campaign in the zone, in every respect, was a whirlwind campaign. Under the direction of Zone Chairman C. C. Nottingham, the counties were completely organized by Silas W. Davis, field representative, before the actual campaign began.

Since the campaign opened, Secretary Lewis Burke has been busy arranging red-hot meetings at every courthouse in the district. W. G. M. Thomas, chairman of the speakers' bureau, worked unceasingly, assigning Chattanooga's highest class speakers to these meetings.

The whole country has been bombarded with posters, streamers, circular letters, and the twenty-three chairmen never had a chance to forget that they were working for the glory of America and the cause of the war, for they got something to keep them stirred to activity every day in the week.

Much of the credit for the splendid showing is due to the high-class gentlemen constituting the personnel of the county chairmen. Not a man among them faltered, not a one went below his quota.

"I want to thank every one of those chairmen," said Mr. Nottingham this morning, "and I want to thank every committee man who served under those county chairmen. Their work was simply splendid. Without their co-operation we would not have made anything like the showing we made."

The chairmen of the several counties are as follows:
Blount—S. H. Blackburn, Pikeville; Bradley—Frank J. Harle, Cleveland; Coffee—S. S. Blackman, Tullahoma; Cumberland—J. S. Reed, Crossville; Fentress—E. M. Shelley, Jamestown; Franklin—W. H. Featherston, Decatur; Grundy—H. J. Bowers, Tracy City; Hamilton—W. M. Elliott, Chattanooga; James—Hunter Furches, Galtway; Lincoln—H. E. Dryden, Fayetteville; McMinn—G. F. Lockmiller, Athens; Meigs—W. H. Black, Decatur; Monroe—W. N. Magill, Madisonville; Morgan—W. K. Parks, Lynchburg; Morgan—W. H. Summer, Warburg; Marion—W. M. Cameron, South Pittsburg.

Polk—M. C. King, Copperhill; Rhea—J. T. Crawford, Dayton; Roane—W. C. Anderson, Harrison; Scott—R. L. Sadler, Oneida; Sequatchie—S. B. Wilson, Dunlap; Van Buren—L. J. Walker, Spencer; Warren—J. L. Calville, McMinnville; White—C. D. Erwin, Sparta; Coffee—H. R. Summer, Manchester.

THAT REDISTRICTING BILL IS PUZZLING

Squire Bork's Counsel Thinks
He Will Win Whether Law Is
Valid or Unconstitutional.

T. Pope Shepherd, counsel for Squire Bork, who is asking to have his name placed on the official ballot for the fourth place on the magisterial ticket from the first district, stated Wednesday morning that the peculiar wording of the law governing the new redistricting bill will make it possible that his client is entitled to the place he asks for. "The law," he said, "is so worded that it is entitled to four justices, two from the first district, one for a municipality and one as provided by the old law and not repealed but made provision for by the wording of the new act, for a county seat."

Mr. Shepherd said that the procedure he and his client would go through, namely, to ask the primary committee to certify to the executive committee that the name of J. J. Bork be placed on the official ballot, together with the notice that there were four to be voted for. The next move will be to have the executive committee to request the registration commission to have the election committee also, to have Squire Bork's name on the ballot together with the notice that there are four justices to be voted for.

Mr. Shepherd said he did not think that other defeated candidates had the same right the Squire Bork did to have their names on the ticket for the reason the race would have resulted just as it did had there been four to vote for. "Anyhow, if the courts uphold the fact that the first district, comprising Chattanooga proper, has the right to four, then Squire Bork will be declared the fourth justice as he was fourth on the ballot."

There are a number of lawyers insisting that in the event the new redistricting law is declared unconstitutional Hamilton county will be entitled to a county seat until another election can be called at a great expense. However, the constitutionality of the act is awaited with interest.

MISSISSIPPIANS AROUSED Give Merchants Choice Buying Bonds or Leaving Town.

(Associated Press.)
Miss Point, Miss., May 1.—Citizens last night, in a mass meeting here, demanded that John F. Krebs and R. Gallot, both prominent and well-to-do merchants, buy liberty bonds. The chairman of the local liberty loan committee, H. C. Herring, in a speech in the open in Main street, reported that Krebs had not purchased any bonds and that Gallot had only bought \$200 worth.

A committee immediately called on Krebs and told him he either had to buy \$500 worth of bonds or leave town. The committee was in session thirty minutes to report back to the mass meeting on their work. They returned and reported that Krebs had agreed to buy \$2,000 worth. Gallot was reported to be in New Orleans and the committee was instructed to wait on him on his return. The men were quiet at the meeting, although positive and firm.

BERLIN ADMITS LOSS OF LOCRE TO FRENCH ARMY

Berlin (Via London), Tuesday, April 30.—The committee, which had general headquarters today here, "Infantry engagements developed on isolated sectors on the Flanders battlefield. North of Voormezele and West of the captured several English trenches. Strong detachments which were penetrating the enemy's lines near Locre, came in contact with French counter-attacks. During the course of the fighting the enemy succeeded in establishing himself in Locre. His attempts to advance beyond the village failed.

"Strong artillery activity, which lasted throughout the day, extended over the whole Kemmel territory and continued until darkness fell. "Macedonian front. Between the Yser and Lake Dolin an enemy thrust, which followed artillery preparations lasting several days, broke down before our lines."

TOUCHING LETTER RECEIVED FROM SCOTTSBORO GIRL

(Special to The News.)
Scottsboro, Ala., May 1.—A very touching letter was read at the county singing at the courthouse Sunday afternoon from Miss Zan Beach, daughter of Dr. C. Q. Beach, of this place, who is nursing a wounded of-

ficer at a hospital in Shreveport, La. This man was taken prisoner by the Germans. His sufferings while a prisoner was beyond belief. The man was cruelly mutilated. His fingers were cut off and his knee caps were removed. He has lived to get back to his Uncle Sam and is giving his remaining strength to the cause of liberty loan subscriptions, still in the fight, but in a different way.

Sewanee Nine Mixes Today With Aggies

Sewanee, May 1.—The Sewanee Tigers baseball nine will launch its first offensive Wednesday afternoon when it stacks up against the Mississippi Aggies at Starkville. Another game will be staged with the Farmers on Thursday. From here the rambling Tigers will roam on down to the University of Alabama in quest of fresh blood. A two-day celebration will take place here with the Tuscaloosa warriors on their diamond. These will be the first official exhibitions of the mountain boys this season. The Aggies are reported to have their accustomed gang of fence-busters, and from the box scores of their preliminary encounters, ought to prove a hard nut for any man's club to crack. The decisive game in which the Alabama trounced the Illinois State ball tossers established them as one of the strongest southern teams.

Sewanee's line-up follows:
Wren, 2b; Worham, ss; Burch, 3b; Satterlee, 1b; Lear, rf; Bamberg, lf; Burch, D. 2b; Wright, c; Camel, c; Barrett, Crutcher, Payne, p; Shook, utility.

PITCHERS' DUEL WON BY HOWARD MERRITT

Blotchi, for Chicks, Reaches
Into "No Man's Land" and
Pulls the Cherries.

Howard Merritt went over the top yesterday afternoon in a pitchers' duel with Dixie Vance, of Memphis, the final score registering 2 to 1 in favor of the local clan. However, it took the full nine innings to decide the bout, the game being a 1-and-1 tie until Graham scored on Denno's fly to deep center. The game was interesting throughout and replete with heady plays by the locals.

The leading features of the game were two catches made by Blotchi, who sojourns in left field for the Chicks. The hard-hitting outfielder in the second inning ran into "no man's land" and caught a line drive foul from Graham's bat. The catch was one of the best seen on Andrews field this season, the left fielder sliding five or six feet after he had caught the ball and fell. Not satisfied with this play, the same Mr. Blotchi came back in the second half of the sixth and off the same bat, that of Graham, ran back to the scoreboard, and jumping into the air pulled down what would have easily been a two-bagger, or possibly a three-bagger.

The feature playing for the locals was done by Denno, this being his first appearance on the local diamond. The stocky-built shortstop thanked the fans for the applause they gave him when he came up the first time with a slashing single to center. Between this and the time his long fly scored Graham in the ninth he played some fast fielding ball around shortstop and banded himself with more ease than any infielder seen here in some seasons. Cuto, who has been playing short, went to left field in Paddock's place, who was under the weather. Then again, Manager Finn said he wanted to give the Cuban a workout or two. The little fellow played left field like a veteran and with as much ease as he does short. He looks like a sure bet as a utility man. It was his hit that put Graham on third, who later scored the winning run when Denno hit a long fly to center. Score:
